Enthusiastic participation is welcome. Any child in the age group under the age of 18 will be eligible to participate. The entries will be divided into three age groups – (i) 4 to 9 years, (ii) 10 to 14 years, and (iii) 15 to 18 years.

They can choose to do any of the followings on the topic: "Life of Bangabandhu Sheikh Mujibur Rahman"

- Write essay (within 500 words for age group (i); 1,000 words for age group (ii); and 1,500 words for age group (iii))

If they turn out good, we will print and bind them into proper booklets. (minimum 200 words and maximum 2,000 words or maximum 16 pages). Children in group (ii) and group (iii) can also write picture book for young children in group (i) or group (ii).

The objective of the contest is to get our kids know more about the great life of the Father of the Nation and to develop kid-friendly materials for kids by the kids themselves. The winning entries may be published for future use in our Missions if it is allowed by the parents and their children.

Please submit your entries through Director (FSO) by 18 February 2021.

The entries must be in English or in Bangla.

When you send their essays, picture books, videos, films or poems they will write their name, age and the name of the Mission in which their parents work. Please do not write the names of the parents. After the winners are selected we will ask for the names of the parents.

Your support in this matter will be deeply appreciated.
